

Power Tip #1

Changing to
ENERGY STAR® lighting
is a brilliant idea.

Save up to 75% – now through November 30!

There's never been a better time to save with this great promotion from New Jersey's Clean Energy Program™. Now you can purchase ENERGY STAR® qualified light bulbs, lamps, and indoor and outdoor fixtures at special, low prices...and do your part to help the environment.

It's the bright thing to do...ENERGY STAR qualified compact fluorescent light bulbs:

- Last six to 10 times longer than standard bulbs.
- Use two-thirds less energy.
- Save at least \$25 in energy costs over the lifetime of a single light bulb.

Look for ENERGY STAR qualified bulbs and fixtures at retailers throughout the state. But hurry! This special offer ends November 30. New Jersey's Clean Energy Program – your power to save.
